

Friedrich Jaecker
Splendor arcanorum
Tres alas
Cruor sanguinis
für Frauenstimme
(2024–25)

Laus Trinitati,
quae sonus et vita
ac creatrix omnium in vita ipsorum est,
et quae laus angelicae turbae
et mirus splendor arcanorum,
quae hominibus ignota sunt, est,
et quae in omnibus vita est.

Lob sei der Dreifaltigkeit,
die der Klang und das Leben
und die Schöpferin alles Lebendigen selbst ist,
auch das Lob der Engelschar
und der wunderbare Glanz der Geheimnisse,
die den Menschen verborgen sind, ist sie,
und die in allem das Leben ist.

O virtus Sapientie
que circuiens circuisti
comprehendendo omnia
in una via que habet vitam
tres alas habens
quarum una in altum volat
et altera de terra sudat
et tertia undique volat.
Laus tibi sit, sicut te decet,
O Sapientia.

O Weisheitskraft,
die du ringsum umkreist
und alles umfasst
auf dem einen Weg, der das Leben trägt.
Drei Flügel hast du:
einer schwingt sich in die Höhe,
der andere müht sich mit der Erde,
und der dritte fliegt überall umher.
Gelobt seist du, wie es dir gebührt,
O Weisheit.

O cruor sanguinis
qui in alto sonuisti,
cum omnia elementa
se implicuerunt
in lamentabilem vocem
cum tremore,
quia sanguis Creatoris sui
illa tetigit:
ungue nos
de languoribus nostris.

O Blutstrom,
du hast hoch hinaufgetönt,
als alle Elemente
wehklagend
einstimmten,
zitternd,
da das Blut ihres Schöpfers
sie benetzt hat:
salbe uns,
heile unsere Schwachheit.

Hildegard von Bingen
